

77 Dancers Film Medley "Movie Dancing"

Our Film Medley is composed of five different films.

Dreamship Surprise – Sister Act – Moulin Rouge – Cabaret – Wild Wild West

Can be performed by anything from 13 dancers upwards

„Space Taxy / Sister Act“

„Lady Marmalade“

The Film Medley starts with a UFO landing. Three Space Taxy extraterrestrials from *Dreamship Surprise* lead you into a whole new world. Then comes *Sister Act* and its pious, praying nuns. Some three minutes later they begin to remove their penguin look and start moving to Lady **Marmalade** from the film *Moulin Rouge* – the dancing is hot, the outfits even hotter!

Cabaret „Money”

A comedy duo dances the *Money Song* from the film *Cabaret*.

(Pause to allow the other dancers to change)

“Wild Wild West”

We end on a high with an excerpt from the film *Wild Wild West* (hip-hop/western mix – very sophisticated with a hint of eroticism!)

This Film Medley successfully blends dance, comedy and eroticism for an unforgettable experience!
